

Information Skills sessions for Law (UG)

Academic Year 2022/23

We propose the following schedule of events, drawing on Law specific and generic sessions already in existence, and the creation of some new to fit with the undergraduate timetable. All events will be held online via Teams or Blackboard Collaborate unless otherwise specified.

	Activities for the School of Law (scheduled)	Recommended Activity (asynchronous)	Generic Library Services Activity (scheduled or asynchronous)
SEMESTER ONE			
September 2022	<p>Using the Library. 30 mins. Session for all UG students, explaining how to access and use key library resources.</p> <p>Using Legal Databases 30 mins. Session suitable for all levels of study, run directly after UtL session. Describes how to access and main features of three key databases (Westlaw, Lexis+, Hein) as well as where to get further help.</p>	<p>Law Library Virtual Tour 10 mins. Hosted on Microsoft Sway, this tour of the Law Library will allow students who cannot visit campus at present to get a feel for the building and learn about the layout before visiting in person.</p> <p>Legal Information Skills Click-through Guide Step by step guidance to help students get familiar with basic legal information retrieval skills. Can be worked through in own time and used for study.</p> <p>Videos Recordings of all online sessions will be made available on Media Hopper and linked on the Law Subject Guide to be used asynchronously.</p>	<p>Welcome Week activities including inter-disciplinary How To Use the Library sessions and Library Bitesize sessions.</p> <p>LibSmart I and II General Info Skills course for all disciplines. Optional. Runs throughout the year.</p>
October 2022	<p>One-to-One appointments. 30 minutes. ASLs will be available to answer any questions from students re: library resources or help with research. Runs fortnightly from October to December.</p>	<p>Resource Lists and how to use them 10-15 minute video to support students using resource lists. Will be uploaded to the LL Media Hopper Channel and promoted through the blog/student community pages on Learn.</p>	

	<p>Lexis+ training. Provided by a certified Lexis+ trainer, this will feature both training and the opportunity for students to sit their Foundation or Advanced Accreditation.</p>		
November 2022	<p>Library Bitesize: Using Law Databases. 30 mins. Existing Bitesize session, to be run twice (daytime and evening) in order to deliver to as many students as possible.</p> <p>Referencing for Law. 50 mins. More specific training on using OSCOLA. Include information about hierarchy of resources.</p> <p>Beyond the Reading List. 30 min. A look at how to enhance research by critically searching and retrieving information from other academic sources not listed on course Resource Lists.</p>		<p>Information Services Dissertation Week. Various events and recordings made available to support students from all disciplines in completing their dissertations.</p> <p>Library Bitesize: Referencing and Plagiarism. 30 mins. Existing Bitesize session</p> <p>Library Bitesize: Getting Started Using Ebooks 30 mins. New Bitesize session to help students get familiar with using popular ebook platforms.</p>
